

Our office is sensitive to the CDC warnings in regards to social distancing and the novel COVID-19. Because we are a small office, we kindly ask that you please call our office between 9:00 a.m. until 3:00 p.m. as we navigate through these trying times for us all.

Work on Your Case

We continue to work on your case. Things may move a little slower than usual due to the virus precautions. It is too soon for us to know how much slower the process will be.

Payments

We kindly request that all payments be made via our website at <http://www.hesserflynnllp.com> and click on the ORANGE MAKE A PAYMENT BUTTON this should take you to the payment screen. Or call our office and we can assist with your payment or advise the easiest method to make a payment.

Meetings

Currently we are not able to visit or have in person meetings with clients. Face to face meetings exposes everyone involved to an increased risk of infection. We do not know how long this will last. We are able to communicate by telephone, text facsimile, mail, e-mail. We continue to accept client calls and potential client calls. Due to closures by the government, we are working mostly from home - remotely. We know this can be frustrating. When there is any important change or update in your case we will contact you by telephone, email and/or text.

Conclusion

We realize these delays add stress to an already difficult situation. We wish we could provide you with greater certainty but the current health crisis is different from all of our past experience. We are confident we will provide you with continued excellent representation and there is a chance this whole situation may present some beneficial opportunities.

Should you need to contact our office there are various methods to do so as follows:
